

## Welcome to the International Meso-Lipotherapy Society!

### Membership Benefits:

- **Access to the "Forum"** where questions may be posted to the pioneers, faculty, and scientific community about Mesotherapy and Lipotherapy (spot-fat-reduction techniques).
- **Updates of protocols, syllabus, forms, new scientific publications and studies** are available on the forum or, if requested, through fax or email.
- **Patient referrals** through the IMLS and AestheticMD websites: Only IMLS members' phone numbers and clinics and websites will be listed on these extremely busy sites.
- **Discounts on future conferences and products as well!**
- **Concern with patient well-being** by promoting a Standard of Care through protocols born of anecdotal and clinical studies will remain a priority of IMLS. As there is funding available from dues collected, studies of various procedures will be considered.

### Membership Registration Information:

In order to be a member, you must have been trained in an approved International Meso-Lipotherapy Society (IMLS) course. To remain a member of the IMLS you must submit this signed document to the accounting department of the IMLS.

Membership costs **\$17.00** USD per month. This form serves as a request to remain a member of the IMLS, and as an authorization to bill the credit card, submitted on the next page, each month for that amount. Membership begins immediately after your registration is processed, usually within 10 business days. You will receive an e-mail with a user name consisting of your first initial and your last name. A generic password will be assigned, which can be changed upon your first log-in. The e-mail will also contain your billing date. Membership dues for your first month will be billed during processing, and will occur on the same day each of the following months. IMLS memberships are month to month and membership may be terminated by the International Meso-Lipotherapy Society or by the member by providing written notice to either party. Cancellations may be done via email to [info@meso-lipotherapy.org](mailto:info@meso-lipotherapy.org) , or facsimile to (480) 991-0471. Cancellation of a membership by IMLS will be sent to the last known email or fax number of the member.

Cancellation by the member requires a notice of 30 days from your billing date. A notice of less than 30 days will result in dues being charged for the following month. Failure to provide a billable credit card will be cause for immediate cancellation of membership without notice. IMLS will contact you if a credit card expires or is declined, and 2 consecutive months of non-payment will be considered a voluntary cancellation by the IMLS member. Membership may be cancelled or refused at the discretion of IMLS. IMLS retains the right to implement, modify or change and membership regulations or rules without prior written notice.

*Please print and fax this document to (480) 991-0471.*
